ate the seeds birds
beeped houses
blew away backpacks
broke logs
burnt matches
decomposed banana peels
dissolved carrots
exploded candles
exploded eggs
fell down block towers
flashed webcams
froze bottles of hand soap
got stained white carpets
had the letter Z in them novels
honked taxi drivers
landed flat notebooks
laughed lawyers
lit up computers
melted ice cubes
popped balloons
ran out of batteries phones
reflected the sunlight mirrors
rhymed poems
ripped shirts
rolled wheelchairs
sank balloons
stopped cars
stuck stickers
stuck to the wall baseballs
were green strawberries
