ate the seeds birds
beeped houses
blew away napkins
broke boxes
burnt rocks
decomposed pinecones
dissolved carrots
exploded candles
exploded eggs
fell down block towers
flashed cameras
froze bottles of hand soap
got stained white carpets
had the letter Z in them novels
honked taxi drivers
landed flat coins
laughed kids
lit up flashlights
melted ice cubes
popped balloons
ran out of batteries bike lights
reflected the sunlight mirrors
rhymed songs
ripped books
rolled shopping carts
sank balloons
stopped motorcycles
stuck sequins
stuck to the wall cakes
were green strawberries
